

PRESIDENT: Senator Goodrich?

SENATOR GOODRICH: Then you would admit that there are exceptions to the budget committee?

PRESIDENT: Senator Marsh, do you care to respond?

SENATOR MARSH: Senator Goodrich, I do not respond to that question.

PRESIDENT: Senator Stahmer?

SENATOR STAHMER: Senator Marsh, it occurs to me that you have objected before changing the bill from one thing to another. I feel to see how something to do with the Building Administration has anything to do with environmental control.

PRESIDENT: The motion is to return the bill. Senator Carpenter?

SENATOR CARPENTER: Then the amendment is not germane to the bill.

PRESIDENT: Senator Carpenter challenges the germaneness of the question. Here we go. Alright, now the way we are going to handle this is the motion is just to return the bill, that is the only issue before the House. The amendment has been explained, so on, and we will take this one step at a time. So the question is, are you all through discussing now? The return of 254A. Senator Stahmer?

SENATOR STAHMER: I am mistaken, I thought that we could only return bills for a specific amendments.

PRESIDENT: That is correct. This is to return the bill only, we are not adopting the amendment at this time. That is correct.

SENATOR STAHMER: But it is for that specific amendment?

PRESIDENT: That is correct. For that specific amendment. Now the question is, do you want to return LB254A to Select File for a specific amendment as offered by Senator Marsh? All those in favor of returning the bill vote aye, all those opposed vote no. This is to return the bill only. Senator Goodrich, for what purpose do you rise?

SENATOR GOODRICH: To declare the Chair, what happened to Senator Carpenter's motion? Challenging the germaneness of the bill? The Chair didn't rule on it.

PRESIDENT: That is right. The Chair isn't going to take care of that at this time. I am taking this one step at a time.

(End belt #11A)

(Start belt #12A)

And so forth, and now the motion before us to return the bill, if the bill isn't returned, we don't have a problem. Have you all voted? Clerk will record.

CLERK: 15 ayes, 16 nays. Now Mr. President, I move that LB677, I move to strike the Cavanaugh amendment to LB677. Wait a minute I am sorry, we have a series of stuff here. The first one Mr. President is the Goodrich amendment, it reads I move all provisions of 677 and insert the attached amendment? Is that to strike it or what? Alright then the Schmit one is to, I move to advance 677, Signed Senator Schmit.

PRESIDENT: Alright, the Chair recognizes Senator Schmit.

SENATOR SCHMIT: I believe the bill had been discussed previously, and I just move the motion.
